

Contents

Review and Overview	
1. Recent advances in cryopreservation of semen and artificial insemination in sheep: a review <i>Davendra Kumar and Krishnappa Balagnur</i> -----	134
Research Papers	
2. Factors affecting post-weaning average daily gain and Kleiber ratios in Muzaffarnagari sheep Gopal Dass, Saket Bhusan, Vinay Chaturvedi, M.S. Dige and P.K. Rout-----	148
3. Average daily gain and Kleiber ratio in Bharat Merino sheep P.K. Mallick, I.S. Chauhan, G.R. Gowane, P. Thirumurgan, G. Murali and Arun Kumar-----	151
4. Morphometric characterization, productive and reproductive performance of Nellore Palla sheep under field conditions <i>K.S. Harini, B. Punyakumari, R. Vinoo, D. Suresh Babu and G. Bharathi</i> -----	156
5. Growth performance of Sangamneri goats under field conditions Dinesh Birari, Sanjay Mandakmale, Dilip Deokar and Uddhav Bhoite-----	161
6. Reproductive performance of Sangamneri goats under field conditions Dinesh Birari, Sanjay Mandakmale, Uddhav Bhoite and Yashwant Fulpagare	166
7. Comparative efficacy of trans-rectal and trans-abdominal ultrasonography for early diagnosis of pregnancy and embryonic ageing in goats <i>A.B. Mali, M.B. Amle, N.M. Markandeya and B.L. Kumawat</i> -----	171
8. Correlation of age and weight with radiographic cardiac indices and cardiothoracic ratio in goats <i>Vimlesh Kumar, S. Purohit, Vijay Pandey, R.P. Pandey, Anil Singh and Ankur Upadhyay</i> -----	176
9. Immune response to <i>peste des petits ruminants virus</i> vaccine in goats <i>P. Giridharan, S. Kaushik and Y. Krishnamohan Reddy</i> -----	181
10. Detection of <i>Mannheimia haemolytica</i> in culture and lung tissue of lambs by real-time polymerase chain reaction assay <i>Jyoti Kumar, C.P. Swarnkar, G.G. Sonawane, S.J. Pandian and Rajiv Kumar</i> -----	186
11. Molecular epidemiology and phylogenetic analysis of <i>Theileria</i> species in sheep <i>Shantaveer S. Biradar, Placid E. D'Souza, G.S. Mamatha, H.M. Yathish and S.J. Siju</i> -----	192
12. Pharmacokinetic assessment of methimazole-mediated modulation of albendazole biotransformation and efficacy in goats <i>N.K. Kumbhakar, P.K. Sanyal and S. Pal</i> -----	199
13. Pharmacokinetic implications of albendazole biotransformation in goats following interaction with <i>Curcuma longa</i> <i>S. Nath, P.K. Sanyal and S. Pal</i> -----	205
14. Deodorization of goat milk by cardamom and pistachio extracts and β-Cyclodextrin <i>Gopika P.R. and K. Radha</i> -----	212
15. Isolation and characterisation of angiotensin converting enzyme (ACE) inhibitory peptides in fermented milk of Malabari goat <i>P. Sathya, K. Radha, C.T. Sathian, V. Ramnath, J. Jayavardhanan and R. Thirupathy Venkatachalapathy</i> -	217

16. Development of low-fat ice cream from goat milk incorporating whey protein concentrate	
<i>Ajjisha Robins and K. Radha</i> -----	222
17. Effect of softeners and their concentration levels on properties of woollen blanket	
<i>N. Shanmugam, Seiko Jose, Ajay Kumar and D.B. Shakyawar</i> -----	226
18. Plastic slatted flooring for intensive rearing of Muzaffarnagari lambs in semi-arid region	
<i>Arvind Kumar, N. Ramachandran, S.P. Singh, Nandhini Sharma, R. Pourouchottamane, Gopal Dass and A.K. Goel</i> -----	231
Short Communications	
19. Genetic polymorphism of BMP2 (exon2) gene in Mecheri sheep	
<i>R. Chitra, S. Sureshkumar and A. Kirubakaran</i> -----	234
20. Study on fecundity gene GDF9 and prolificacy in Surti goats	
<i>N.S. Dangar, G.M. Pandya, U.V. Ramani, Y.D. Padheriya, T. Sangma, S.S. Patel and S. Devkatte</i> -----	236
21. Ante-mortem prevalence of sub-clinical paratuberculosis in goats	
<i>M. Jatav, Y. Verma, A.P. Singh, A. Dubey and M. Swamy</i> -----	239
22. Molecular detection of <i>Theileria luwenshuni</i> in sheep and goats of Chennai, Tamil Nadu	
<i>Anu S. Jayaram, C. Soundararajan, Bhaskaran Ravi Latha and T.M.A. Senthilkumar</i> -----	242
23. Use of tamarind seed coat powder for controlling coccidiosis in goats	
<i>C. Soundararajan, K. Nagarajan, A.C. Satish and M. Arul Prakash</i> -----	247
24. Cutaneous aspergillosis in goats and its therapeutic management by tamarind (<i>Tamarindus indica</i>) seed outer coat powder	
<i>C. Soundararajan, K. Nagarajan, S. Subapriya and M. Arul Prakash</i> -----	251
25. Abdominal wall repair with bubaline aortic matrix in a goat	
<i>Vineet Kumar and Shruti D. Vora</i> -----	255
