

Contents

| | | |
|-----------------------------|--|-----|
| Review and Overview | | |
| 1. | Goat is not a scapegoat in escalating anthelmintic resistance in small ruminants <i>P.K. Sanyal</i> ----- | 1 |
| Research Papers | | |
| 2. | PCR-RFLP analysis for exons of diacylglycerol acyltransferase-1 gene in Jamunapari goats <i>Pallavi Singh, M.K. Singh, P.K. Rout and M.S. Dige</i> ----- | 9 |
| 3. | Estimation of (co) variance components for growth traits in Magra sheep <i>Vivekanand, H.K. Narula, R.K. Joshi, H. Singh and A. Chopra</i> ----- | 12 |
| 4. | Influence of environmental factors on production traits and heritability estimates of Magra sheep in arid region <i>H.K. Narula, A.K. Patel, Ashish Chopra and Vimal Mehrotra</i> ----- | 21 |
| 5. | Performance of New Zealand White rabbits in subtropical climate of Sikkim <i>R. Chandra, H.D. Karmakar, L.R. Chatlod and H. Rahman</i> ----- | 26 |
| 6. | Effect of floor type on body surface temperature and their relationship with physiological variables in kids during hot dry period <i>N. Ramachandran and S.P. Singh</i> ----- | 30 |
| 7. | Evaluation of maize grain varieties for <i>in vitro</i> gas production and methane emission <i>Shalini Vaswani, Ravindra Kumar, Vinod Kumar, Debashis Roy and Muneendra Kumar</i> ----- | 35 |
| 8. | Isolation, serotyping and antibiogram of <i>Escherichia coli</i> from neonatal kids <i>Hardik I. Patel, I.H. Kalyani, Pramod S. Sakhare and Kishan K. Sharma</i> ----- | 39 |
| 9. | Response to challenge infection in sheep selected for resistance and susceptibility to <i>Haemonchus contortus</i> <i>C.P. Swarnkar and D. Singh</i> ----- | 43 |
| 10. | Study on pathological changes caused by <i>Oestrus ovis</i> in small ruminants of Jammu <i>Taniya Saleem, R. Katoch, Anish Yadav and R. Godara</i> ----- | 52 |
| 11. | Histological changes in glands of uterine horn during different stages of pregnancy in goats <i>Vijay Kumar, S.P. Singh, M.M. Farooqui, Chetna Gangwar, Prabhakar Kumar and Ajay Prakash</i> ----- | 56 |
| 12. | Effect of foxtail millet flour on quality and storage stability of functional chevon sausages <i>G.V. Bhaskar Reddy, E. Naga Mallika, B. Obula Reddy, D. Veena and A. Suresh Naik</i> ----- | 61 |
| 13. | Effect of ginger oil on tenderization of spent goat meat <i>S. Saranya, A. Kalaikannan, D. Santhi, S. Sureshkumar and A. Balasundaram</i> ----- | 68 |
| 14. | Colourless natural antimoth agents for woollens <i>Ajay Kumar, P.K. Pareek, D.B. Shakyawar and V.V. Kadam</i> ----- | 73 |
| Short Communications | | |
| 15. | Cytogenetic characterization of Macherla Brown sheep of Andhra Pradesh <i>B. Nityanand, B. Ekambaram, B. Punya Kumari and J. Suresh</i> ----- | 77 |
| 16. | PCR-SSCP analysis of exon 2 of myostatin (<i>MSTN</i>) gene in Marwari goats <i>Jai Prakash Khichar, Gyan Chand Gahlot, Kiran, Vijay Kumar Agrawal and Kritika Gahlot</i> ----- | 81 |
| 17. | Growth and wool yield of Nilagiri and Synthetic (Nilagiri x Merino crossbred) lambs under different systems of management <i>C. Soundararajan, V. Palanisamy and M. Iyue</i> ----- | 84 |
| 18. | Growth performance of Nellore Jodipi sheep at an organized farm in Andhra Pradesh <i>I. Satish Kumar, G. Gangaraju, C. Vijaya Kumar and Sapna Nath</i> ----- | 87 |
| 19. | Effect of non-genetic factors and inbreeding levels on post-weaning growth traits of Chokla sheep <i>Vinita Kumari, U. Pannu, A. Chopra, Anupam Buri and L.L.L. Prince</i> ----- | 90 |
| 20. | Haemato-biochemical profiles of Malabari kids fed broiler concentrate diet <i>C. Kotresh Prasad, John Abraham, C. Balusami, A.J. Roshin and S. Senthil Murugan</i> ----- | 94 |
| 21. | Effects of sex and body region on the wool characteristics of Bhakarwal sheep <i>Asiya Kazmi, Sarfaraz A. Wani, Asif H. Sofi, Masood Saleem Mir and Hilal Musadiq Khan</i> ----- | 97 |
| 22. | Growth pattern and management practices of Black Bengal goats in tribal area of Jharkhand <i>Maroof Ahmad and Dinesh Mahto</i> ----- | 101 |

| | |
|--|-------|
| 23. Recovery of preantral follicles from goat ovarian cortex through mechanical and enzymatic procedures | |
| <i>A.K. Sharma, S.S. Chaudhary and G. Puri</i> ----- | 104 |
| 24. Evaluation of extenders for chilled preservation of Malabari buck semen | |
| <i>Mayur Pawshe, Hiron M. Harshan, M.O. Kurien and Ambili John</i> ----- | 108 |
| 25. Evaluation of urea molasses multivitamin block supplementation in Beetal cross goats | |
| <i>V. Singh, Rajiv Singh and K. Hussain</i> ----- | 111 |
| 26. Juvenile goitre in a kid: evaluation and treatment | |
| <i>Vivek Joshi, Shahjahan Alam, A.G. Bhanuprakash and U. Dimri</i> ----- | 114 |
| 27. Haemato-biochemical effects of lumbosacral epidural anaesthesia with ropivacaine and dexmedetomidine in goats | |
| <i>Lalita Kumari, A.K.Sharma, Laxmi Kumari and M.P.Sinha</i> ----- | 117 |
| 28. Histomorphological and scanning electron microscopic studies of thyroid gland in Jamunapari goats | |
| <i>O.P. Choudhary and P.J. Doley</i> ----- | 120 |
| 29. Age-related changes in cortical depth and neuronal cell packing density in cerebral cortex of goat | |
| <i>A.M. Salankar, R.S. Dalvi, N.C. Nandeshwar, S.K. Sahatpure, M.G. Thorat and P.M. Gedam</i> ----- | 123 |
| 30. Histological and histochemical studies on the moderator bands of prenatal goat | |
| <i>S.K. Gupta, Archana Pathak, M.M. Farooqui and Ajay Prakash</i> ----- | 127 |
| 31. Effect of space allowance on social behaviour of Osmanabadi kids | |
| <i>Rameswar Panda, P.P. Ghorpade, H.Y. Pallampale and N.R. Dagli</i> ----- | 130 |
| 32. Assessment of management practices followed by small ruminant farmers in Uttar Pradesh | |
| <i>Deepak Singh, Priscilla Kerketta, Anand Kumar and Neeraj</i> ----- | 132 |
| 33. Adoption of improved scientific goat rearing practices in Tamil Nadu | |
| <i>P. Suresh Kumar and P. Vasanthakumar</i> ----- | 136 |
