

GUIDELINES FOR THE FELLOW AWARD OF INDIAN SOCIETY OF SHEEP & GOAT PRODUCTION AND UTILIZATION (ISSGPU)

IMPORTANT INSTRUCTIONS: ATTENTION: PROPOSERS/SUPPORTERS

1. The nominee shall be a LIFE MEMBER of the society.
2. The nominee must have Ph.D. degree and have a position of professor/principal Scientist.
3. Every nominee shall be proposed and recommended by a certificate in writing signed by Life members and shall certify from personal knowledge of the scientific attainments of the candidate. The proposer should ensure that critical information required in the form is complete.
4. The proposer shall send the nomination papers to other Life member/Fellows for their support who, in his opinion, support the nominee (**minimum four supporters**). Proposer and supporters should mention their **life membership number** and affixed their signatures in the prescribed nomination form.
5. Two hard copies of application along with up-to-date list of 40 research publications with SCI impact factor /NAAS factor. Both copies must include the front page of the 40 full research publications, other publications, all relevant certificates and documents as per the given format as proof. Applicant has to be submitted the soft copy of the application by e-mail to Secretary, ISSGPU. **Research papers on sheep, goat and rabbits will only be considered for the assessment.**
6. Nomination not completed in all respects and not accompanied by list of publications (a list of up to 40 most important publications) and other documents will not be considered. One set of reprints/front page of the 40 research articles should be submitted; otherwise application will not be valid for consideration.
7. **Nomination for Award of ISSGPU “Fellow”** should be written on the Envelope containing the Nomination paper.
8. Nomination papers completed in all respects is to be sent by Registered/Speed Post either by the proposer or it may be handed over personally by a Life member/Fellow/Supporter to **Secretary, Indian Society for Sheep and Goat Production and Utilization**, so as to reach latest by 30.11.2021 positively.
9. A committee will be constituted by the president ISSGPU and will make a decision of the candidate’s scientific attainments and achievement for ISSGPU fellow /Awardee.
10. ISSGPU Fellow will be given strictly on the basis of the contribution of the scientist towards research on small ruminants and contribution for the ISSGPU Society. The ISSGPU Fellow must have at least **15** years of life membership of ISSGPU society and must have minimum **40** full research publication on sheep/goat or rabbit with 5.25 or above NAAS impact factor. The minimum age of the ISSGPU fellow should be **48** years **as on 30.11.2021**. For evaluation of the Fellow/Awardee. Application proforma (publication, SCI/NAAS impact factor, achievement and patent etc.) will be utilized as a criteria for selection of the fellow/awardee. The number of ISSGPU Fellow award will be given maximum to **four** only at one occasion/each seminar. A committee will be constituted and the committee will decide to give the award or may not propose any award, if the suitable application is not received. The above criteria will not be applicable to the regular Director, ICAR-CIRG or ICAR-CSWRI who have completed three years of service in the respective Institute or NGO who is working on sheep or goat/rabbit production but such NGO must have at least 15 years of establishment and must have visible contribution on sheep and goat production in India. Candidates having long and multi contribution in the field of goat, sheep, rabbit production and utilization in the form of popularization of these species in field may be given some special weightage by the screening committee. All application should be submittal to Secretary, ISSGPU and all application will be screened by Secretary ISSGPU regarding the eligibility and other terms and conditions (*Enclosed the proof of each items*).
11. The minimum cut-off marks will be 60%. If the candidate is not achieved 60% mark then his/her application will be automatically rejected. If single application is received and has score of 60% or more then it will be considered.
12. The ISSGPU fellow will be honoured with a certificate and a plaque on THE OCCASION OF THE SEMINAR OF THE YEAR.

**NOMINATION PAPER FOR THE FELLOW AWARD OF THE INDIAN SOCIETY OF SHEEP & GOAT
PRODUCTION AND UTILIZATION**

All entries in the Nomination form should be completed, *preferably by written typing*.

The required information/particular should be given, in the space provided in the nomination form, extra sheets to be appended only if the space provided in the form has been actually filled in and cannot contain any more essential material. If any material is supplied on separate sheets, the proposers should sign these extra sheets.

The undersigned LIFE MEMBERS/FELLOWS/LIFE TIME ACHIEVEMENT AWARDEE in good standing of the Indian Society for Sheep and Goat Production and Utilization, respectively, propose and support.

Dr. _____

as a candidate for award of a ISSGPU Fellow/Life Time Achievement Awardee of the Society, and do hereby certify their recommendations. (For details of qualification, list of publications, and other achievement see the following pages.)

Proposer's Name and Signature with date:

Proposer's Name and Address	Life member number	*Remarks about the nominee's suitability	Signature with date

*Remark about the nominee's suitability indicating whether the remarks are based on personal or general knowledge. Details should be given on separate sheet.

Supporters Name and Signature with date:

Sr. No.	Name, designation and address of supporter	Life membership number	Remarks about the nominee's suitability	Signature with date

The nomination paper should be sent with

1. Two copies of the application, up-to-date list of 40 research articles and other publications, all certificates, awards, and relevant documents (Front page of all listed publications (up to 40 articles) on sheep, goat and rabbit and other application must attach). Other required documents as per the norms or format of the ISSGPU Awards should attach.

2. Applicant for ISSGPU Fellow Award must send the nomination form along with bio-data, list of publications, certificate, achievement and other documents.

Important Note: Nominations not complete in all respect and not accompanied by the list of publications with impact factor and copy of the front page of the 40 research articles shall not be valid for consideration for ISSGPU fellow award.

FORMAT OF APPLICATION FOR THE 'FELLOW AWARD' OF ISSGPU SOCIETY

1. Name of the Award:

2. Name in capital letters (full name):

3. ISSGPU life membership:

4. Date & Year of membership:

4. Date of birth:

5. Highest qualification and field of specialization:

6. Designation:

7. Address:

(a) Official:

(b) Residential:

Paste recent
pass port size
photographs

8. Academic career and professional attainment:

The proposer is requested to furnish this head, all information regarding the nominee's experiences and assignment
(**Maximum: 20 marks**) (*Enclosed the proof of each items*)

- a) Ph.D. degree in relevant discipline (**Maximum : 2 marks**) (*Up to 70-80% marks : 1 mark; 80 % or more: 2 marks*)
- b) Post-Doctoral training in the field of sheep, goat and rabbit (**Maximum : 2 marks**) (*Up to three months duration: 1mark; Up to six months to one year duration: 2 marks*)
- c) Jawaharlal Nehru Award for Ph.D. thesis (**Maximum : 2 marks**)
- d) Research/Teaching Experience: More than 15 years of experience on sheep, goat and rabbit production in ICAR/SAU/CAU/DU/NGO/Other Govt. Department etc. (**Maximum : 5 marks**) (*Period 1-5 years: 3 marks; Period 5-10 years: 4 marks; Period 15 years or more: 5 marks*)
- e) Training organized on sheep, goat and rabbit production, processing and extension (**Maximum : 2 marks**) (*Up to 1 week: 1 mark; Up to 2-3 week: 2 marks*)
- f) Project Investigators of external funded projects on sheep, goat and rabbit from ICAR, DBT, DST, CSIR/NABARD/wool board/other funding agencies (Cost of project Rs. 50 lakhs or more) (**Maximum : 4 marks**) (Limited to two projects only) (PI of the project should spend time at least two or more years).
- g) Contribution in research management/leadership (as In-Charge/HOD/Director of the Section/Division/Department/Station/Centre) (**Maximum : 3 marks**) (*Up to three years duration: 2 marks; 3 years or more duration: 3 marks*)

9. Recognition/ Award/ special attainment: (**Maximum: 20 marks**) (*Enclosed the proof of each items*)

- a) National Award for research contribution on small ruminants from ICAR/CSIR/DBT/DST/UGC or other Govt. organization (limited to one award only) (**Maximum: 3 Marks**)
- b) Fellow Award from professional society (limited to one only) (**Maximum: 2 Marks**)
- c) Discovery, Invention, Innovation in sheep, goat and rabbit research (limited to three discoveries/invention) (**Maximum: 3 Marks**) (*1 mark for each item*)
- d) Sheep/goat breed evolved/vaccine development/technology development etc.: (maximum two items of each category): (**Maximum: 3 Marks**) (*1.5 marks for each item*)
- e) Patent granted on discovery or innovation related to small ruminants: (limited to one patent only) (**Maximum: 3 Marks**)
- f) Acted as Treasurer/ Secretary/Vice-President/President of ISSGPU society (two years as tenure of each category): (**Maximum: 2 Marks**) (*One year : 1 mark; Two years: 2 marks*)
- g) Editor/Co-Editor of the ISSGPU Journal (two years as tenure of each item): (**Maximum: 2 Marks**) (*One year : 1 mark; Two years: 2 marks*)
- h) Best oral/poster presentation awards in national or International seminar/conferences (limited to four awards only) (**Maximum: 2 Marks**) (*0.5 mark each poster/oral*)

10. Publication of the nominee: Please attach 2 copies of latest list of 40 research publications (Total publication marks: **60 marks**) (*Enclosed the proof of each items*)

- a) Full length original research papers in referred scientific and professional journal with SCI Impact factor / NAAS factor with 5.25 above (**Limited to 40 best research articles published on sheep, goat and rabbit only**) (**Maximum : 45 marks**).

Cumulative NAAS Index less than 150 points: 5 marks; from 151 to 175 points: 10 marks; from 176 to 200 points: 15 marks; from 201 to 225 points: 20 marks; from 226 to 250 points: 25 marks; from 251 to 275 points: 30 marks; from 276 to 300 points: 35 marks, from 301 to 325 points: 40 marks, from 325 to 350: 45 marks). For 5 extra points from the initial value, than 1 or more mark will be given accordingly. If the candidate has published at least 10 publications in the ISSGPU Journal "Indian Journal of Small Ruminant Research" then 10 NAAS cumulative points will be given extra, which will be equivalent to 2 mark. Kindly prepare the table as follows:

S.No.	Name of the authors followed by title of the research article	Journal Name/Year/Vol./Pages	NAAS factor with Journal ID/ (year 2021)	Total points/ Cumulative
1.	Kumari, R, Kumar, R, Meena, A.S., Jyotsana, B, Prince, L.L.L. and Kumar, S. (2014) Genetic polymorphism of Growth Hormone Gene in native Sheep breeds of India.	The Indian Journal of Small Ruminants 20(2): 15-18.	5.95	5.95
2.	Singh, S., Kumar, S., Kolte, A.P., Kumar, S. (2013). Extensive variation and sub-structuring within D-loop mtDNA lineage A type Indian sheep: Genetic evidence for domestication of lineage A in India.	<i>Plos One</i> 8 (11): E77858.	8.81	8.81
3 to 40				
			For e.g. total cumulative points	14.76

- b) Best paper published in ISSGPU journal (**Maximum: 2.5 marks** for first author and 1.0 mark to co-author.)
- c) Popular article/Review article/ Book chapters (limited to five each category) (**Maximum: 2.5 marks**) (0.5 mark for each items)
- d) ISSGPU Seminar/Conference organized as Organizing Secretary/Secretary/Treasurer/president (limited to two seminar only) (**Maximum : 2.5 marks**) (1.25 marks for each activity)
- e) Book published/authored or edited individually or jointly related to small ruminants (limited to two books only) (**Maximum : 2.5 marks**) (1.25 marks for each book)
- f) Manual/teaching aids developed (limited to five only) (**Maximum: 2.5 marks**) (0.5 mark for each items)
- g) Research/ Technical bulletin/extension leaflet/software module related to small ruminants (limited to five only) (**Maximum: 2.5 marks**) (0.5 mark for each items)
- h) Reviewer of society journal research papers (limited to five only) (**Maximum: 2.5 marks**) (0.5 mark for each paper)
- i) Reviewer of International Journals related to small ruminants (enclosed reviewer certificate) (limited to five only) (**Maximum: 2.5 marks**) (0.5 mark for each items)

10. A detailed critical analysis highlighting the most important research contribution of the nominee including recognition of his contributions by other worker in any field of **SHEEP, GOAT AND RABBITS**.

11. A Brief Statement Not exceeding 300 Words, Regarding The Most Significant Research Achievements of The Nominee.

12. Certificate: The above information is true and correct to the best of my knowledge and belief.

TO BE FILLED BY THE OFFICE

The nomination paper along with application, reprints and other documents received by Secretary, ISSGPU, Indian Society for Sheep and wool production utilization with date of receipt in a file to be kept for the office purpose.
